WISNU PUTRA

+6281226884127 | wisnueputra2003@gmail.com | linkedin.com/in/wisnuputraaa | https://wisnup.site | Jakarta, Indonesia

Backend Engineer with **1 year of experience**, **10+ projects** successfully built, and **4 hackathon wins**. Highly proficient in backend development across multiple programming languages, frameworks, databases, and cloud platforms, with **working knowledge of DevOps** practices including cloud infrastructure, deployment, Linux, virtualization, containerization, and CI/CD. Able to adapt quickly to new environments, collaborate with cross-functional teams, and translate business requirements into high-quality applications.

Education

Bina Nusantara University – Jakarta, Indonesia   **Sep 2022 - Aug 2026 (Expected)**
Bachelor's degree in computer science, Current Grade: 3.82/4.00

Work Experience

99 GROUP (99.CO | SRX | RUMAH123) – Jakarta, Indonesia   **Feb 2025 – Feb 2026**
Backend Engineer Internship
- **2M+ monthly users** supported by maintaining and enhancing backend systems for 99 Group Company's Singapore platforms (*srx.com.sg & 99.co*), contributing to stable high-availability services and minimizing service disruptions at scale.
- **42 bugs resolved**, including **2 critical security vulnerabilities**, reducing high-severity security exposure by 100% for identified cases and improving overall system stability.
- **29 backend features delivered**, accelerating product iteration cycles and increasing rollout capacity within the engineering team.
- **44.07% reduction in Jira backlog** by resolving **119 tickets within 6 months**, significantly decreasing technical debt and improving engineering response efficiency and turnaround time.

Organization Experience

UREEKA BINUS – Jakarta, Indonesia
Software Development Community at Bina Nusantara University
Member   **Apr 2024 – Feb 2025**
- Completed **2 software engineering training courses**, building practical skills in frontend and backend development.
- Competed in **2 software development competitions**, enhancing problem-solving and teamwork abilities.
